NOTE ON WORLD CAFE : The World Cafe is your inclusive, high-impact opportunity to be a part of our global strategy, navigating the current economic landscape. Forget one-way presentations...you are invited to be a part of our way-forward strategies that would shape the future of the WZCC. The World Cafe is an exercise that would allow you not only to mingle with other participants but also provide you with an opportunity to share your thoughts on areas that would support designing of WZCC's way-forward plans and strategies.
